# CITY OF BORGER

Building Permit No. \_\_\_\_\_

## Building Permit Application

Applications shall be submitted 24 hours prior to the issuance of the Building Permit. Submit two sets of plans and specifications for commercial buildings, public buildings and new residence buildings. Remodeling or enlargement of existing buildings may be required to submit plans depending on the size of the project. Plans for new, remodeled or enlarged commercial or public buildings shall bear the name and seal of a registered architect or engineer in accordance with the Texas Engineering Practice Act.
